ABOUT CONFERENCE

ICPMS2026 is an international gathering designed to unite the world's foremost experts, researchers, professors, and innovators to explore the cutting-edge frontiers of Advances in Physics and Materials Science. The conference will be held from **November 23-24, 2026**, in the beautiful and historic city of **Budapest, Hungary**.

This prestigious event serves as a dynamic platform for the exchange of research, innovative methodologies, and emerging technologies that are shaping the future of physics and advanced materials. Over the course of three days, participants will engage in high-level scientific sessions, keynote lectures, and interactive discussions focused on addressing fundamental challenges and translating scientific discoveries into practical applications.

The conference will feature a comprehensive range of topics, including condensed matter physics, nanomaterials and nanotechnology, functional and smart materials, energy materials, computational and theoretical physics, and advanced characterization techniques. By bringing together leading researchers from academia, industry, and research institutions, ICPMS2026 aims to promote interdisciplinary collaboration, inspire novel research directions, and accelerate technological advancements.

We warmly invite you to join ICPMS2026, where scientific insight meets innovation, and collaborative engagement drives the next generation of breakthroughs in physics and materials science.

Sincerely,
Leela Kaniti | Conference Secretary
ICPMS2026

SCIENTIFIC BOARD MEMBERS

Prof. Osman Adiguzel

Firat University, Turkey

Prof. Ephraim Suhir

Portland State University
USA

Prof. Laura Gabriela SARBU

Alexandru Ioan Cuza
University of Iasi, Romania

Prof. Mihail Lucian Birsa

Alexandru Ioan Cuza
University of Iasi, Romania

Explore the full organizing committee and learn more
about our global scientific leadership.

OUR CONFERENCE SPEAKERS

Prof. Raul Campilho

ISEP- School of
Engineering, Porto
Portugal

Dr. Sabu Thomas

Trivandrum Engineering
Science & Technology
Research Park, India

Dr. Raida Ibaeva

Ministry of Science and
Education Republic
Azerbaijan

Dr. Ionut Cristian Scurtu

Mircea cel Batran Naval
Academy, Romania

Dr. Jan Dusza

Slovak Academy of
Sciences, Slovakia

Dr. Paata J. Kervalishvili

Georgian Technical
University, Georgia

Dr. Slavik Avagyan

National Polytechnic
University of Armenia
Armenia

CONFERENCE TOPICS

- Surface, Interface, and Thin-Film Physics
- Advanced Characterization and Instrumentation
- Soft Matter and Polymer Physics
- Biomaterials and Materials for Healthcare
- Emerging Trends and Future Directions
- Biomaterials, Biophysics and Medical Applications
- Advanced Manufacturing and Material Processing
- Physics and Electronic Applications of Material
- Solar Energy and New Energy Materials
- Miniaturization Technology
- Biomedical Nanotechnology
- Nanoparticle and Nanoscale Research
- Carbon Nanostructures and Graphene
- Magnetic Materials and Storage Devices
- Nanometer Manufacturing and Processing Technology
- New Semiconductor Materials
- High-Field and Nonlinear Material Phenomena
- Light-Driven Processes in Solids
- Biocompatible Materials
- AI-Driven Materials Design and Accelerated Discovery
- 2D Materials Beyond Graphene
- Sustainable & Green Materials Science
- Applied Physics for Sensors and Smart Technologies
- Fuel Cells and Hydrogen Energy Materials
- Terahertz Technology and Materials
- Broadband Dielectric Spectroscopy
- Dielectric Properties of Materials
- Impedance & Relaxation Phenomena
- Electrical Response of Materials
- Ultrafast Light-Matter Dynamics
- Photon & Electron Interactions in Materials
- Laser-Matter Interaction
- Strong-Field Physics in Solids
- Ultrafast Spectroscopy
- Radiation Effects in Materials

Why to Attend???

- Meet worldwide Experts, Exchange ideas and network with leading researchers.
- Learn and discuss quality initiatives, key news and challenges with senior level speakers.
- Learn skills and stay up-to-date with presentations, panel discussions, roundtable discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
- Greater Focus, participants can gain direct access to a core audience of professionals and decision-makers and can increase visibility through branding and networking.
- New Tips & Tactics you can learn beyond your field or interest.

Who Can Attend?

- Physicists and Materials Scientists
- Academic Researchers and Faculty Members
- Industry Professionals and R&D Experts
- Postdoctoral Fellows, PhD Scholars, and Graduate Students
- Engineers and Applied Science Researchers
- Interdisciplinary Scientists and Innovators
- Nanotechnology and Advanced Materials Specialists
- Energy Scientists and Sustainability Researchers
- Computational and Theoretical Scientists
- Experts in Characterization and Analytical Techniques
- Professionals from Semiconductor and Electronics Industries
- Policy Makers and Science Administrators
- Representatives from Research Laboratories and Institutes
- Start-up Founders and Technology Entrepreneurs

OPPORTUNITIES

For Researchers and Faculty Members:

- Speaker Presentations (Oral)
- Poster Display
- Symposium hosting (4-5-member team)
- Workshop organizing

For Universities, Associations & Societies:

- Association Partnering
- Collaboration proposals
- Academic Partnering
- Group Participation

For Students and Research Scholars:

- Poster Presentation
- Young Researcher Forum
- Student Attendee
- Group Registrations

For Business Delegates:

- Speaker Presentations
- Symposium Hosting
- Book Launch Event
- Networking Opportunities
- Audience Participation

For Product Manufacturers:

- Exhibitor and Vendor booths
- Sponsorship Opportunities
- Product Launch
- Workshop Organizing
- Scientific Partnering
- Marketing and Networking with Clients

Explore all opportunities and be part of the conference

REGISTRATIONS

Category Registration Price:

Oral Presentation	\$849
Poster Presentation	\$549
Delegate Participation	\$999
Student Participation	\$399

Group Participation Benefits:

- 10% Discount for a group of 5 members
- 15% Discount for group of 10 members
- 25% Discount for group of 20 members

Localities Participation Benefits:

- 25% Discount will be provided for the participants
Who are attending from the local universities and Organizations

Registration Includes:

- Access to all Scientific Sessions, Poster sessions, Exhibitions
- Handbook & Conference Materials
- Lunch, Tea/Coffee breaks during the conference days
- Certificate Accreditation from the Organizing Committee
- Wi-Fi in the meeting rooms

How to Register:

In order to register for ICPMS2026, please complete the online form available on: <https://physics.pagesconferences.org/register>

Abstract Submission:

You are kindly invited to submit your abstract for [ICPMS2026](#)

Online Abstract Submission: <https://physics.pagesconferences.org/submit-abstract>

Questions regarding Abstract Submission Contact us:

icpms@pagesconferences.org

SPONSORSHIP DETAILS

	Platinum Sponsor	Gold Sponsor	Silver Sponsor	Exhibitor
Sponsorship Registration	\$5000	\$4000	\$3000	\$2000

PREVIOUS GLIMPSES

CONFERENCE VENUE

Venue for International Conference on Advances in Physics and Materials Science - Budapest, Hungary

We are delighted to welcome you to Budapest, one of Europe's most captivating and historically rich cities. Known as the "Pearl of the Danube," Budapest seamlessly blends architectural grandeur, cultural heritage, and modern scientific advancement, making it an ideal destination for an international conference.

Why Budapest?

- **Global Accessibility:** Budapest is served by Budapest Ferenc Liszt International Airport, offering convenient connections to major cities across Europe and beyond.
- **Excellent Connectivity:** The city features an efficient public transportation system, including metro lines, trams, and buses, ensuring smooth travel throughout the city.
- **Cultural and Scientific Hub:** Budapest is home to renowned universities, research institutes, historic landmarks, and a vibrant scientific community.

Venue Highlights

- Modern conference facilities equipped with advanced audio-visual technology.
- Spacious lecture halls and dedicated networking areas designed to foster collaboration and knowledge exchange.
- Convenient access to hotels, restaurants, and key attractions, ensuring a comfortable and engaging stay for all delegates.

Must-See Attractions in Budapest

Delegates will have the opportunity to explore the city beyond the conference:

- **Buda Castle** – A UNESCO World Heritage site offering panoramic views of the city.
- **Parliament Building** – An iconic landmark along the Danube, known for its stunning architecture.
- **Chain Bridge** – A historic bridge connecting Buda and Pest.
- **Fisherman's Bastion** – A picturesque terrace with breathtaking views.
- **Széchenyi Thermal Bath** – One of Europe's largest and most famous thermal bath complexes.
- **St. Stephen's Basilica** – A magnificent cathedral and cultural landmark.

Culinary Delights

Budapest offers a rich culinary experience, blending traditional Hungarian flavors with modern gastronomy. Delegates can enjoy local specialties such as Goulash, chimney cakes, and a variety of regional wines, along with an array of international dining options ranging from fine restaurants to charming cafés.

Budapest offers a perfect blend of academic excellence, rich cultural heritage, and memorable experiences—providing an inspiring backdrop for our conference.
