

Scientific Program

AGENDA AT A GLANCE

The scientific program for the 2nd International Conference on Civil, Infrastructure and Smart Cities (INFRASMART2027) is designed to bring together global researchers, academicians, civil engineers, urban planners, policymakers, and industry leaders to discuss innovative technologies, sustainable infrastructure solutions, and the future of smart urban development.

The conference will feature keynote lectures, plenary sessions, oral and poster presentations, panel discussions, industry networking opportunities, and young researcher sessions.

DAY 1 • MARCH 22, 2027

08:30 – 09:30

REGISTRATION & WELCOME RECEPTION

09:30 – 10:00

OPENING CEREMONY

- Welcome Address
- Conference Overview
- Introduction of Organizing Committee

10:00 – 11:00

KEYNOTE SESSION I

(Distinguished Speakers – To Be Announced)

PLENARY KEYNOTE SLOT AVAILABLE

11:00 – 11:15

NETWORKING & COFFEE BREAK

11:15 – 12:45

SESSION 1: Sustainable Infrastructure & Urban Development

ORAL PRESENTATIONS

- Sustainable Construction Materials
- Green Building Technologies
- Resilient Urban Infrastructure
- Smart Transportation Systems
- Climate-Resilient Infrastructure

12:45 – 13:45

LUNCH BREAK

13:45 – 15:15

SESSION 2: Smart Cities, AI & Digital Transformation

ORAL PRESENTATIONS

- Artificial Intelligence in Civil Engineering
- Smart City Technologies
- IoT and Intelligent Urban Systems
- Digital Twin Applications
- GIS & Infrastructure Analytics
- Data-Driven Urban Planning

15:15 – 15:30

COFFEE BREAK

15:30 – 17:00

SESSION 3: Transportation, Mobility & Infrastructure Systems

ORAL PRESENTATIONS

- Intelligent Transportation Networks
- Railway & Highway Engineering
- Traffic Management & Mobility Solutions
- Urban Transit Systems
- Infrastructure Asset Management

17:00 – 18:00

PANEL DISCUSSION

"Future of Sustainable and Smart Infrastructure"

- AI-Driven Infrastructure Planning
- Sustainable Urban Mobility
- Public Infrastructure Resilience
- Policy & Global Infrastructure Challenges

DAY 2 • MARCH 23, 2027

09:00 – 10:00

KEYNOTE SESSION II

(Invited Speakers – To Be Announced)

PLENARY KEYNOTE SLOT AVAILABLE

10:00 – 11:30

SESSION 4: Structural Engineering & Construction Technologies

ORAL PRESENTATIONS

- Advanced Structural Design
- Earthquake & Disaster Resilient Structures
- Building Information Modeling (BIM)
- Construction Automation & Robotics
- Smart Materials & Innovative Methods

11:30 – 11:45

COFFEE BREAK

11:45 – 13:15

SESSION 5: Energy, Environment & Resilient Infrastructure

ORAL PRESENTATIONS

- Renewable Energy Infrastructure
- Smart Energy Grids
- Environmental Impact Assessment
- Water Resources & Waste Management
- Circular Economy in Construction
- Net-Zero Infrastructure Strategies

13:15 – 14:15

LUNCH BREAK

14:15 – 15:30

SESSION 6: Urban Planning, Policy & Community Development

ORAL PRESENTATIONS

- Urban Policy & Governance
- Smart Governance Models
- Community-Centered Infrastructure
- Inclusive and Accessible Cities
- Urban Resilience & Disaster Preparedness

15:30 – 16:30

YOUNG RESEARCHERS FORUM

AWARD ELIGIBLE

- Student & Early Career Research Presentations
- Innovation Showcase
- Emerging Research in Smart Cities & Infrastructure
- Best Young Researcher Awards

16:30 – 17:00

POSTER PRESENTATIONS & NETWORKING

17:00 – 17:30

CLOSING CEREMONY

- Awards & Recognition
- Conference Summary
- Closing Remarks

Special Features

- Keynote & Plenary Sessions by International Experts
- Oral & Poster Presentations
- Young Researchers Forum
- Panel Discussions & Networking Sessions
- Industry & Academic Collaborations
- Smart Cities & Infrastructure Innovation Showcase
- Global Networking Opportunities
- Awards for Best Oral & Poster Presentations

Call for Speakers & Abstracts

Researchers, academicians, engineers, policymakers, and industry professionals are invited to submit abstracts for oral and poster presentations.

- Sustainable Infrastructure
- Smart Cities & Digital Transformation
- Transportation & Mobility
- Structural Engineering
- Construction Technologies
- Renewable Energy & Environment
- Urban Planning & Policy
- AI Applications in Infrastructure
- Disaster Resilience & Risk Management

Important Notes

- The program is subject to updates
- Speaker lineup will be announced soon
- Final schedule will be shared prior to the conference
- Limited speaker and presentation slots available
- Opportunities available for sponsorships and collaborations

Submit Abstract & Register

Researchers, academicians, industry professionals, and students are invited to submit abstracts and participate in Infrastructure 2027.
