PAGES CONFERENCES | 5TH EDITION

International Conference on Vaccine Research, Development & Immunology

"Innovating Global Health in the Heart of Italy"

Milan, Italy

📍 A Global Hub of Science & Design

April 19–20, 2027

📅 Vaccines-2027 Summit

Welcome to Vaccines-2027

EXECUTIVE SUMMARY

Building on the profound success of our previous editions, the 5th International Conference on Vaccine Research and Development returns as a premier global gathering in **Milan, Italy**.

Over two impactful days, we unite world-renowned researchers, policymakers, clinicians, and innovators. Our goal is to confront emerging global health challenges and co-create preventive strategies for a sustainable future.

Whether your goal is to publish groundbreaking data, partner with industry leaders, or pioneer new immunotherapies, Vaccines-2027 provides the elite platform required to accelerate your objectives.

Who Should Attend?

-  Vaccine Researchers & Immunologists
-  Medical Doctors & Clinicians
-  Biotech & Pharmaceutical Professionals
-  Policy Makers & Global Health Advocates
-  Academicians & Early-Career Researchers

Scientific Agenda & Tracks

CALL FOR ABSTRACTS

VACCINE PLATFORMS

Antigen Discovery, mRNA, DNA, Viral Vectors, Adjuvants, and Next-Gen Delivery Technologies.

IMMUNOLOGY & EFFICACY

T-Cell and B-Cell Responses, Immune Memory, Translational Immunology, and Mechanisms of Protection.

THERAPEUTIC VACCINES

Cancer Vaccines, Neoantigen-Based Personalized Immunotherapy, and Autoimmune Diseases.

EMERGING DISEASES

Viral, Bacterial, and Parasitic Vaccines, Zoonotic Infections, and Pandemic Preparedness.

AI & DIGITAL HEALTH

Machine Learning in Vaccine Design, Bioinformatics, and Big Data Analytics for Immunology.

GLOBAL HEALTH POLICY

Regulatory Affairs, Global Guidelines, Vaccine Hesitancy, Health Equity, and One Health Approaches.

CLINICAL TRIALS

Safety, Immunogenicity, Effectiveness, Preclinical Studies, and Animal Models.

BIOMANUFACTURING

Scale-up processes, Thermostable Vaccines, and Rapid Response Platforms.

Important Dates

EARLY BIRD DEADLINE

May 19, 2026

ABSTRACT DEADLINE

August 19, 2026

STANDARD DEADLINE

September 19, 2026

CONFERENCE DATES

April 19-20, 2027
